13) Executive Officer's Verbal Report to the Commission

Executive Officer Dowdin Calvillo reported that the Commission's next meeting is scheduled for Friday, November 14 at 1:30pm. Commissioners will consider recommendations for revisions the County's classification plan stemming from the 2025 Epidemiologist Series class study and hear an Eligible List Appeal. There are attorneys representing both parties in the instant appeal, and this is the first time such an appeal has been heard by the Commission in recent history.

The next meeting will be on December 12, and she has tentatively scheduled one RFP appeal hearing and it is likely that Commissioners will also consider recommendations stemming from at least one class study.

As you know, the Commission was previously scheduled on September 15 to conduct a public hearing on a proposed amendment to the Civil Service Rules establishing an alternate exam for persons living with disabilities. The hearing was canceled at the request of the County CEO due to concerns that the proposed amendment may have been too far reaching. Since then, Executive Officer Dowdin Calvillo has been working with DPS to further revise the proposed amendment and hopes have a draft to share with Commissioners soon.

Since the last meeting, the Executive Officer said the Commission received five exam disqualification appeals (three of which were administratively resolved), two RFP, one disciplinary action, one medical, and one eligible list appeal.

Currently, there are nine release from probation, one failed psychological evaluation, two failed medical evaluation, one disciplinary action, one eligible list removal, and one eligible list appeal pending before the Commission.

Executive Officer Dowdin Calvillo also reported that since the last meeting, she received the following class study for preliminary review: Deputy Assessor; Utility Billing Services; Executive Assistant to the BOS; Law Clerk I/II; Estate Property Series; and Emergency Management Series. In addition, she received the following revised class studies for review: Human Services Social Worker – Master's Degree; Child Development Specialist Series; Attorney – Child Support Services; Epidemiologist Series; and Law Clerk I/II.

She reviewed and commented on the following class studies: Utility Billing Services; Executive Assistant to the BOS; Law Clerk I/II; Estate Property Series; Human Services Social Worker – Master's Degree; Attorney – Child Support Services; Epidemiologist Series; and Law Clerk I/II.

The Executive Officer also responded to a lengthy Public Records Act

request for documentation on the classification process as well as copies of her analyses prepared for the Commission's consideration over the last ten years.

ADJOURNMENT

With no objection, the meeting was adjourned at 3:32pm.
